## OBITUARY.

**Charles Graveline.**  
Word has been received in this city of the death in Attleboro, Mass., of Charles Graveline, a former resident of Willimantic. The deceased is survived by his wife, who was Miss Cecelia Plant of this city, an eight-year-old daughter, his father and mother, two brothers and six sisters, Levi Graveline of New Haven and George Graveline of New Britain, Conn. Mrs. Edna Tobo of New Haven and Mrs. Emma Ricker, Mrs. Della Wood, Mrs. Emma Glines, Mrs. Alden Glines and Mrs. Leda Mearns, all of Attleboro.

**Mrs. Hiram Hitchcock.**  
Clara C. 89, widow of Hiram Hitchcock, died Wednesday at the home of her daughter, Mrs. Willie C. Small of Hartford. She was a native of Enfield and at one time resided in this city. She is survived by a son, Ernest H. Hitchcock of Bridgeport, her daughter, and several grandchildren.

**Dora Martin.**  
Dora, the seven-month-old daughter of Mr. and Mrs. Martin, of 107 Main street died Thursday morning. Infantile trouble was the cause of death. The burial will be held today.

**Helen E. Potter.**  
Helen Elizabeth, the year-old daughter of William A. and Faith Potter Wolfe, of South Coventry, died Thursday morning at her parents' home. The cause of death was bronchial pneumonia. Besides her parents, she is survived by four brothers and a sister.

## Contract Agent and Collector.

Henry McDermott is contract agent and collector with the local branch of the telephone company, taking the place of J. E. Robbins, resigned.

## Timmins Agrees to Marry Miss Pitcher

Walter Timmins, who was arrested charged with the seduction of Ruth Irene Pitcher, and whose case was continued until Thursday morning, agreed to marry the girl in the case and furnish to the town a bond for the support of the child. With that understanding, the case against him was again continued and the charge will be nolleed as soon as the ceremony has been performed and the bond furnished.

## Wife Paid His Fine.

Andrew Sanders, who was fined Wednesday morning for intoxication and carrying concealed weapons, was released Thursday, when his wife appeared and paid his fine. Sanders was flourishing a revolver in a Main street restaurant Tuesday night, when arrested.

## Improving Church Property.

The work of laying concrete walks about the Congregational church property on Valley street is being completed. The tennis court backstop has been removed and a walk will be laid directly to the street from the front door of the church house. New steps will be laid in front of the church, the

old walks removed and replaced by new ones of concrete. The front entrance on one of the Ahern Construction company's wagons used in the delivery of ice through the city broke down at the corner of Jackson and Hope streets just before the white-blow for noon Thursday. The wagon was not out of commission, so the ice was transferred to another one belonging to the company.

## DANCING A FEATURE.

In Moose Carnival—Thursday Night Was Special Time for Tapaishorean Events.

The Moose carnival continues to be popular, despite the disfavor of the weather man, and was patronized by another large crowd Thursday night. The attendance would surely be record-breaking if weather conditions were a trifle more favorable.

The dance floor as usual was the center of attraction and the space about it was filled all the evening with dancers and lookers-on. The feature exhibitions of the evening were given by Willie Harder and Miss Margaret Huyler of New York, who gave a fine exhibition of one of the latest dance dances, the Parisian maxixe, and the tango, danced by Miss Stultz and Mr. Dolan. Dolly's waltz, danced by Miss Huyler and Miss Charlotte Stultz, were also generally applauded by the spectators.

The dancing of the four New York artists has been a feature of the carnival from the start, and some of their steps are very intricate, where one misstep spoils the whole dance, and may mean a bad fall. This was particularly true of the whirlwind, danced Wednesday evening by Miss Huyler and Mr. Harder. Many people go to the grounds every evening especially

to see the new steps, and they have been more than pleased with the exhibitions.

Soon after ten o'clock the "prize waltz" for the latest was given on the dance floor, and participated in by couples. The audience acted as judges, and their approval gave the decision to John McQuillan and his partner, Frances Sypher. There was a large crowd on hand to cheer their favorites in this event.

The midway was well patronized during the evening. The Southern Troubadours, who were unable to get ready for Wednesday's performance owing to the afternoon rain, opened for business and drew a goodly number, while the Oriental dancers, Lella the Wild Girl, the merry-go-round, and the other attractions which have been here since the start, did a thriving business.

A considerable number of local wrestlers attended the athletic show, urged on by the success of Frank Brand of this city in his encounter with Fred J. West Wednesday night, when he was not known in two tries of five minutes each. Fannie Lewis of Boston and Florence Miller of Lynn, Mass., the two women wrestlers, gave clever exhibitions, and the show was well patronized.

Another new show on the grounds was Gray and Fenton's yodlers and musicians, the test for which was pitched Thursday morning. They came well recommended and made a success of their first night.

With pleasant weather the balance of the week the attendance at the carnival will go into big figures, and the hard work which has been expended in making it a success is being rewarded by the hearty support of the people of this city and vicinity. Everyone connected with the big event is hoping for two days of sunshine this week to boom what is undoubtedly the biggest affair of its kind ever given in Willimantic.

## OBITUARY.

**Rev. Edgar F. Clark.**  
Death claimed as its victim Wednesday afternoon Rev. Edgar F. Clark, formerly pastor at the Methodist and Broadway Methodist Episcopal churches in Providence and other towns in Rhode Island, but up to the time of his death a resident of Taunton, Mass. Death occurred at his home, 12 Newcomb place, after a brief illness.

Mr. Clark was born in South Windus, Conn., the son of Hiram and Emily (Hayes) Clark, and was educated in Wesleyan university and the Concord Theological school. He was married twice, first to Julia N. Woodruff at Farmington, Conn. After her death several years ago he married Helen Miller of North Providence, who died about a year ago.

During his long service as a minister Mr. Clark held pastorates at Norwich and Willimantic, Conn., Provincetown, New Bedford, Plymouth and Taunton, Mass., besides the Rhode Island churches over which he presided. He retired from active religious work about ten years ago.

Mr. Clark was well known as a geologist, the son of Hiram and Emily (Hayes) Clark, and was educated in Wesleyan university and the Concord Theological school. He was married twice, first to Julia N. Woodruff at Farmington, Conn. After her death several years ago he married Helen Miller of North Providence, who died about a year ago.

## CHINESE GIRL REBELS.

Two Will Speak at Revolutionary Dinner in San Francisco.

San Francisco, Cal., July 30.—An indication of the spirit of progress manifested by the young Chinese residing in this country, was shown at a revolutionary dinner tonight, when two Chinese girls, Miss Lynne Shew and Miss Gw. Young, made addresses.

Both are students at the University of California.

The banquet was given for Gen. Hwang Hsing, leader of the present revolutionary movement in China, and Lin Sun, president of the dissolved senate of the republic. Societies representing virtually all the population of San Francisco's Chinatown had charge of the entertainment.

## Mystery in Floating Ship's Hatches.

Shenoyan, Wis., July 30.—Mystery attaches to the finding of two hatches from the steamship Jupiter of the Great fleet and a large quantity of vegetables on North Point, near here. It is the opinion of Captain Dionne of the life saving crew here that the hatches may have been discarded although they do not appear to have been worn to any extent. There has been no storms on the lake for several days.

Engineers estimate the available power of Oregon as more than 13,000,000 horse power.

# Heat Is Quick to Affect the Bowels

Well-Known Fact That Extreme Heat Conduces to Chronic Constipation.

So many people are in the habit of eating cold food in hot weather that constipation is very common during summer. It is best to vary the food and have some hot things, as for example, soups and hot fish and meats if that is to be the diet. Cold water should be drunk sparingly.

In spite of all care people will become constipated, and if you find yourself in that condition you can get immediate relief by the use of Dr. Caldwell's Syrup Pepsin. There is no time of the year when you should be more careful of constipation than in the summer, for many of the serious illnesses as well as the fatalities result from a clogging up of the bowels. You also need general good health to withstand the heat, and hence Syrup Pepsin is best to take because it contains tonic ingredients that help to build up the entire system.

Numerous users throughout the world will verify these facts, among them Mr. George C. Allen, 408 N. Main St., Reading, Mass., who recovered his health completely after using only two bottles; and Miss Anna Schott, 248 S. Washington St., Baltimore, Md., who uses it for constipation and now has her mother and friends also using it. They avoid drastic remedies like cathartics, tablets, purgatives, salt water, pills and such things. Dr. Caldwell's Syrup Pepsin is mild and pleasant, and children like it. You can obtain it of any druggist at fifty cents a bottle. Each bottle must do what is claimed or your money will be refunded.

Families wishing to try a free sample bottle can obtain it, postpaid by addressing Dr. W. B. Caldwell, 418 Washington St., Monticello, Ill.

## Securities Co. Receiver Asked.

Wilmington, Del., July 30.—Charles E. Anderson and Albert L. Nell, of Baltimore, today filed a bill in the court of chancery asking for a receiver for the Securities Company of North America. The bill sets forth that the complainants are creditors of the company, that the company is solvent, that it is not a corporation for public improvement, and that it has liabilities amounting to upward of \$1,000,000. Answer was made returnable September 1.

## In the last 25 years the population of Germany has increased from 48,000,000 to 58,000,000.

## EXPENDITURES FOR IRRIGATION.

Amendment Will Revolutionize Reclamation Service.

Washington, July 30.—An amendment revolutionizing the conduct of the government reclamation service was written into the reclamation bill in the house today by a vote of 173 to 49. Proposed by Majority Leader Underwood, it provides that the expenditures for irrigation work must be by annual appropriations by congress from the reclamation fund, and not directly at the discretion of the interior department.

## Representatives from the Public Land states opposed the amendment, declaring it would lead to "pork barrel" legislation.

The bill, which extends from ten to twenty years the time in which settlers may repay the government for irrigation improvements on their lands, then was passed without a roll call.

## Says Leprosy Is Not Hereditary.

Birmingham, N. Y., July 30.—W. T. Danner, American representative of the International Mission to Leprosy, in addressing the International Bible association here last night declared that leprosy is not hereditary nor easily communicable, that there are more than one million lepers all the world, and that while two leper colonies exist, seventeen states have one or more lepers each, comprising more than 500 in all.
